

Dear members of the MAD,

We proudly present you the program for the 35th MAD meeting.
The meeting will be held on **Thursday March 13th 2014**
from 14:00 to 18:00 at TNO Triskelion, Zeist.
A route description is attached to the email.

Because it is the 35th MAD (medical aerosol denktank), we decided to turn it into a special edition at an alternative location.

This meeting is hosted and sponsored by TNO Triskelion.

The program of the meeting is as follows

| | |
|---------------|--|
| 14:00 – 14:30 | Welcome |
| 14:30 – 14:40 | Information from the board |
| 14:40 – 14:50 | Introduction TNO Triskelion, Luuk Renfurm |
| 14:50 – 15:20 | Animal models for respiratory allergy <i>(30 minutes presentation, 10 minutes discussion)</i> <i>Jos van Triel, TNO Triskelion</i> |
| 15:20 – 15:30 | Coffee break |
| 15:30 – 16:10 | Evaluation of the bioequivalence of a branded and generic LABA/ICS (MDI) combination by means of functional respiratory imaging <i>(30 minutes presentation, 10 minutes discussion)</i> <i>Wim Vos, FluidDA</i> |
| 16:10 – 16:50 | Paediatric use of dry powder inhalers <i>(30 minutes presentation, 10 minutes discussion)</i> <i>Anne Lexmond, RUG</i> |
| 17:00 – 17.45 | Bread rolls and snack – informal discussions |

It is important that all participants are pre registered at the TNO reception, so please inform the MAD secretary by e-mail that you are coming.

Kind regards from your MAD board:
Eric DeRom, Anne de Boer, Paul Hagedoorn, Wilbur de Kruijf
